ÅSA ERIKSSON

FRONTEND DEVELOPER & UX/UI DESIGNER

EXPERIENCE

I am a Frontend Developer, specialized in React, with a solid background in Industrial Engineering, Graphic Design, Product Design and UX/UI Design. After working as a web design freelancer I now continue to develop my web and programming skills at Hexad SL since many years. I consider myself a self-organized person, eager to learn and with senior management skills, fluent in Swedish, Spanish and English.
